Hazardous Materials for Disposal

Return To: Chemical Hygiene Officer, Rick Williams (479)575-6474

Each container must be listed as a separate item as required by Department of Transportation Regulations. Each container must be labeled with: “HAZARDOUS WASTE”, the generator’s name, and container contents. All items for disposal must be listed on this form. Unlabeled items, or items not listed on this form will not be picked up!

Name of Generator	Date
Department	
Address	Phone#

Item#	Location (Room)	Chemical Name (Please print neatly)	(L)iquid (G)as (S)olid	Container Size	Quantity Per Container
